alicia

had not finished up doing her homework. She was already running late for the party she was supposed to be going to when her tutor showed up, late as usual. She explained that she wanted to go to the party, but he said he had driven for almost an hour to get there for her. It wasn't his fault that the traffic was so bad, or that he ran late. So they studied for an hour and by now Alicia had missed the start of the party and her interest in going to it. He was putting his books away when she decided she would make the best of it and seduce him, after all, she did find him attractive, for a tutor guy.

"I MAY BE YOUNG BUT I HAVE WHAT IT TAKES TO FUCK YOU, LIKE A PUSSY AND ASS."

Her smooth pussy was getting wetter by the minute and she could see the lump in her tutor's pants grow. The cock-hungry ginger had to taste him. She unzipped his pants and pulled out the largest, hardest cock she had ever seen in her life and it was driving her wild with lust. She was screaming with every stroke of his cock going in and out of her. The horny sex goddess wanted all her holes plowed like there was no tomorrow. She got her wish, laying down on the bed and sucking his cock into her tight little star. He pumped it long and hard and finally adorned her sweet smiling face with his cream.

goldie & jenna

We hope that you have bought the last couple issues so you could see us each by ourselves. While those photos were fun, we couldn't wait to finally get to work with each other. The photographer gave us just a half our break before we were on so we had little time to adjust to the day. Nonetheless we had a fucking good time getting naked and then fucking each other. The set was a little bare but we didn't care because our focus would be on each other. Goldie said that sitting on the sidelines while I was on set was taking forever.

She couldn't wait to get back in and start kissing and undressing me. And I wanted to feel her soft lips on my mouth, and then my pussy. She does this little fluttery thing with her tongue that is unlike anything that I've felt before. When we finished, I asked her if she would teach it to me. She said she would but only in private, after all it took her six months to learn it. She said she had to lick a lot of pussies to get it right. Now everyone loves it. As did I.

BLAIR-NTS-03

A BIRTHDAY'S NOT A BIRTHDAY WITHOUT A BIRTHDAY FUCK

You just gotta love birthdays. Especially milestone birthdays, like 21, 30, 40, 50, 65 and 100. Despite a deep apprehension at turning 21, Derrick felt a little excitement as he headed home from a birthday round of drinking with his buddies. It started innocently enough with a challenge of beer pong, na dended with two of the guys passed out on the sofa. Derrick managed to control himself enough to drive himself home.

Pulling into his garage, he was hoping for a quiet night with his girlfriend and maybe getting a quick handjob in bed as they watched late night TV before falling asleep.

Laureen was sitting in the living room with the next door neighbor doing that girlie gossip thing. She barely looked up at him but did acknowledge his stumbling into the room with a small sneer. Turning back to the neighbor, Derrick just heard white noise coming out of their mouths. He decided he needed to freshen up and sober up.

He poked his head back to the living room and told the ladies he was going to go shower. Going up the stairs, Derrick decided to treat himself to a long, hot bath. After almost an hour, he gets out and noticed how pruned his skin was and thought, that in another twenty years he may be looking like this even without a bath. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one and as he opens the door, there is Laureen with a towel wrapped around herself. She asks him if he is looking for this, and takes it off and hands it to him.

Naked underneath, he sees the hot beautiful woman he's been married to for almost a year. "Happy Birthday, baby." she croons as she walks over to him and begins to dry him off.

She still has that tight body he used to ravish every day. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes on his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around." she says, and Derrick obliges her, putting his hands on the wall like a cop was about to frisk him. She dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is good and dry back there, too. Derrick is enjoying every minute of this, being relaxed from the tub and now a vertical towel massage.

Throwing the towel on the floor, Laureen pulls Derrick towards the bed. Now he takes over, laying Laureen down and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her naked breasts and bare belly cupping her firm breasts as he goes lower and lower on her. He then retraces his slippery path back up her body reaching and sucking her erect nipples. When he begins with gentle bites, she moans softly and her breathing becomes quick and sharp.

He reaches between Laureen's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta. He begins to slurp up the juices that began to flow. Derrick places his fingers on her pussy to gently spread her lips apart. He then gently pressed his fingers into her mound and just as he was about to insert one she turns away and rolls on top of him.

Reaching across his chest and into the drawer on the nightstand, she grabs a blindfold and places it over his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms were spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday." Again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves

HE FELT HIS COCK PENETRATE NEW TERRITORY

her head down his body and begins to lick the head of his cock, licking the entire length of his shaft and then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at it's head causing him great pleasure and a tiny bit of pain.

Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come. "Not yet." She whispers and her feels her get off him and off the bed. Moments later he heard her return climbing on top of him and guiding his rock hard cock into her pussy. She pumped up and down using her knees and thighs in a steady pace for a few minutes.

She then bent down on top of him and he hears a whisper in her ear, "Happy Birthday, Derrick," but the voice was not Laureen's. Before he realized what was happening a moist fleshy body part landed on his face and pushed into his mouth. It couldn't be Laureen, he thought, shes riding me. The taste of pussy filled him, but it was a new one. One he did not recognize, but at a time like this it did not seem to matter. It tasted so good that he began to lick it with gusto. As he was doing this the pussy got wetter and wetter and he had to taste more so he forced his tongue inside.

Down below, Laureen had quickened her pace and was moaning loudly. The girl sitting on his face began to moan softly and her juices began to ooze out from between her legs covering his face in a warm sticky substance. She began to rock backwards and forwards forcing his tongue further inside her and Derrick could hear both girls moaning loudly.

Derrick felt himself building up to orgasm and within a few minutes he exploded just as Laureen got off him. She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Laureen gave little squeals of pleasure at a job well done as the girl on his face felt his climax and joined him with one of her own, flowing her cum-juice all over his lips and chin.

Derrick could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth. Laureen moved to the top and careful placed one of her nipples into Derrick's mouth and he began sucking like he wanted to get out every last drop of nipple juice.

He felt his cock penetrate new territory. Much firmer than Laureen's. A tightness that brought him back to his college days and the girls that visited him in his dorm room.

He could hear the girl gasp as his cock was slowly swallowed up. Derrick began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

ON THREE, THEY EACH BLEW THEIRS' OUT

All of a sudden everything came to a stop as Laureen removed his blindfold. Slowly adjusting to the light, his eyes looked up at four breasts and two faces kissing in the half light. The kisses stopped and they both looked down at him. It was Faith naked and bouncing up and down on his cock. She was the neighbor Laureen was talking to as he came home. She was always a little snooty he thought after living next door for all these years. But he was wrong and now her dark brown hair was draped all over her face and she looked as though she was enjoying every minute. He could see her tits which were about the same size as Laureen's bouncing as she moved up and down.

Looking further down her body he could see that her pussy was cleanly shaven and he could just see the beginning of her slit between her legs. Laureen and Faith looked at each other and began to passionately kiss each other again, and their tongues began to work away rolling together.

The two untied Derrick from the bed and as he stood up to stretch Faith fell on top of Laureen and she began to move slowly down her body until she reached her pussy. She stuck out her tongue and began to lick Laureen's crotch.

Seeing Faith bent over with her butt in the air, Derrick could see her soaking pussy clearly. He placed his fingers deep inside her and proceeded to finger fuck her as fast as he could. Faith's breathing quickened and her body began to squirm, he pulled his fingers out just as her cum squirted out of her pussy. He then rammed his cock into her and began to thrust. He licked his fingers clean of Faith's pussy juice and fucked her as hard and as fast as he could.

Faith began to scream loudly and had a powerful orgasm, her body began to shake and she slammed her body against Derrick's as hard as she could so that he was very deep inside her. Derrick filled her tight pussy with his cum until it began to pour out of her. Both ladies started to moan as Faith orgasmed first and Laureen not far behind.

The girls switched positions and Laureen began to suck Faith's pussy and sucked out all the cum that she produced from the orgasm she just had. Derrick now saw that Laureen had her ass in the air and slammed his cock into her. Laureen gasped with as Derrick leaned forward and inserted the length of his cock into her.

All three of them were now moaning and just as Derrick was about to cum he pulled out of Laureen and shoved his cock in Faith's mouth. She took all of his cum and swallowed. Derrick and Faith began to kiss and Derrick could taste a mixture of his, Laureen's and Faith's cum.

Derrick felt his cock become stiffer and rolled onto his back. Both ladies began to suck and lick his cock at the same time. He was ready to cum again and shot his load all over both of their faces. They both looked at each other and began to lick the cum from each other. Once they were both clean all three lay on the bed next to each other on the bed. After a few minutes, Laureen gets up and leaves the bedroom only to return a few minutes later with a small cake with three candles on it. She gave one to Derrick and one to Faith, keeping the other for herself. On three they each blew theirs out and, as if on cue, the two ladies smashed the cake into Derrick's face with sing-song voices saying – "Happy Birthday!"

ELSA

madelyn

Moving back home to live with her parents after college with no work and no place to go wasn't exactly Madelyn's dream situation. Living back at home was the last thing she wanted, but there seem to be no other option. Until she found a steady income, she would be stuck under their roof. She was thankful, but she wanted her own place. Somewhere where she could do what, and who she wanted, whenever she wanted. The other day her dad's best friend showed up at the house early for a meeting, the two men had scheduled. A mistake? Her dad wasn't home.

"THIS GUY'S COCK BETTER BE WORTH SUCKING CAUSE HE'S MAKING ME MISS PORN!"

She could only think of one thing, how much she wanted him to pump her pussy sore right there and then. They were home alone so who was to know? Madelyn knew he was married, but who could resist perky boobies and a tight kitty like hers. One look at her dripping young slit and one feel of those young eager lips across his dick and the guy melted. Her pussy really needed a big strong cock working it hard. The horny student needed it bad. She begged her fuck toys to never stop. She was shaking with pleasure, her pussy was spasming and all she could do was whisper for the guy to fuck her faster and harder.

BLAIR-NTS-09

'm an impetuous 19-year-old looking to sew her wild oats. I'm in it for the thrill, looking to try new experiences all the time. I'm experimenting with lots of things, most of them of a sexual nature. I'm a cutie, with additions of: smart, funny, seductive. I'm the whole package, so why not get into the game? While I won't go into all of my sex adventures here, let's just say that as I learn about something, I attempt to live the experience.

One thing I'm not into, or at least I don't think I'd be into, is pain. If it hurts, count me out. So when my friend Adele, dared me to get a tattoo, I was kind of leery. I really like the way skin art looks for a couple of my girls who have had tats. But they told me the process was painful. Still, a dares a dare, plus a girl wants to look her hottest. Most guys I know have a thing for chicks with tats, so it's time I joined the club.

I scheduled my appointment for Thursday morning. I didn't have classes that day, so it was good timing. That morning, I woke up nervous, but horny. Before I left for the tattoo parlor, I played with myself for a while, tweaking my clit and working myself up into a lather. Self-freaking always helps to ease my stress; and I guess I'm like a guy in that way. So, needless to say, I was semi-relaxed by the time I got to the tattoo shop.

I walked into the place, which was on the second floor of a downtown building. I walked in, looked around and saw no one. When I yelled out a guy came out of the small room. Woah! I thought he was hot and quite rugged looking. He was really tall, built well, wavy hair and a full beard. He was dressed head to toe in leather. My knees buckled at the sight of him. Introducing himself as Manuel, he asked if I knew

what I wanted. I was about to tell him that I wanted his cock pounding away inside my pussy, but I refrained.

ctually, I had made up my mind before going in that I wanted a butterfly just above my butt. I wanted it right above my ass crack, so it looks like the butterfly was flying out of my ass hole. Yeah, I know it sounds sick, but that's my quirky sense of humor. I told Manuel what I wanted and he led me to a small room.

There was a table in the middle of the room with tattoo equipment such as needles, ink, etc. When he said to lie on the table and get naked, at least down below, I was momentarily taken aback. Naturally I nodded to what I was told. He left the room saying he'd be back in a few minutes. I took off all my clothes and eased onto the table. As soon as I laid down, I thought of Manuel's strong hands and thinking about the hunk that was about to work on me, I became overwhelmed with desire.

My pussy began to get wet, and I couldn't stop my fingers from groping around my pubic area. In the middle of diddling myself, Manuel walked back into the room. I guess I should have been embarrassed, but I felt proud like I wanted him to see my body, admire it. He walked over to me and picked up the needle. "Is this where you want it done?" He sneered, then touched a spot above my ass cheeks.

I nodded and said, "Yeah, that's where I want you to put it."

I could tell he wasn't into playing games. The next thing I felt was a couple of rough manly fingers squeezing my clit. And I gasped in arousal. Seeing that I was into it, he then moved his fingers closer to my moist box. Manuel pushed his callous digits inside my pussy and began finger-fucking me with his thick fingers. I relished in the intense feeling while my pussy leaked on them like a geyser!

Manuel continue to finger fuck me, invading his fingers inside my box in ways I never knew possible. When he took the index finger of his other hand and begin probing my ass hole with it, I thought I was going to jump into outer space. I tried anal sex before, but didn't like it too much, but when Manuel pushed a finger inside my tight anus, I knew then and there what ecstasy felt like. With two fingers inside my pussy and one in my ass hole, I was ready for liftoff.

He then unzipped his pants and pulled out a whopper that even Johnny Wadd himself would have been envious. In all my wild years of fucking, I've never seen a cock like that. It was massive, about ten inches of thick purple, veiny man-meat. I almost came at the mere sight of it. Pulling me by my legs, Manuel maneuvered me to the edge of the table and when my butt cheeks came over the side, he entered my ass. Yes, that's exactly where I wanted it.

The feeling of that super-cock was amazing. As he fucked me, he was far from subtle holding my thighs apart and fucking me with hard jackhammer-like strokes. The depth of his strokes was almost too deep. Finally, when my orgasm hit, I thought I was going to pass out. Actually, I think I might have blacked out for a moment. Of course, a minute later he came too, in my ass, but I really wasn't coherent for that.

When we finally finished fucking, he got down to business and tattooed my ass. I was so lost in the moment that I never felt the sting. The butterfly tattoo is killer as you can see. I have an appointment next week with Manuel to get another tat. Let's just say I'm looking forward to his expert needlework once again.

nicole

Nicole is cute and shy. The whole time, she tells the photographer that she's not ready but keeps flashing him and laughing about it. He has to chase her around the pool for the first hour, hoping she'll hold a pose long enough so he can focus and get the shot he needs. We need. The ones you're looking at right now. Nicole's all-natural boobs are perfect, her nipples just the right size and shape, and inviting you to pinch them. Not to mention her ass is nice and curvy, and her pussy has that sexy stubble of a all night party man in the morning after.

"I JUST CAN'T WAIT TO GET THAT LITTLE VIBE INTO MY TIGHT PUSSY, CAN YOU?"

Nicole finally slows down when she gets to the orange bench and takes a seat. Right next to it is her bag with her most favorite vibe and can't wait to get started with it. But first it's posing with her long legs pulled up and her sweet pussy winking at the camera. Opened up like the petals of a butterfly, she playfully teases the photographer and herself. Not waiting any longer, she grabs the pink bejeweled vibe and coaxes it into her wet pussy. An inch, then two, then almost all of it. Everyone around wants to be the vibe.
